§ 130A-412.10. Preclusive effect of an anatomical gift, amendment, or revocation.

- (a) Except as otherwise provided in subsection (g) of this section and subject to subsection (f) of this section, in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending, or revoking an anatomical gift of a donor's body or body part if either of the following apply:
 - (1) The donor made an anatomical gift of the donor's body or body part under G.S. 130A-412.7.
 - (2) The donor made an amendment to an anatomical gift of the donor's body or body part under G.S. 130A-412.8.
- (b) A donor's revocation of an anatomical gift of the donor's body or body part under G.S. 130A-412.8 is not a refusal and does not bar another person specified in G.S. 130A-412.6 or G.S. 130A-412.11 from making an anatomical gift of the donor's body or body part under G.S. 130A-412.7 or G.S. 130A-412.12.
- (c) If a person other than the donor makes an unrevoked anatomical gift of the donor's body or body part under G.S. 130A-412.7 or an amendment to an anatomical gift of the donor's body or body part under G.S. 130A-412.8, another person may not make, amend, or revoke the gift of the donor's body or body part under G.S. 130A-412.12.
- (d) A revocation of an anatomical gift of a donor's body or body part under G.S. 130A-412.8 by a person other than the donor does not bar another person from making an anatomical gift of the body or body part under G.S. 130A-412.7 or G.S. 130A-412.12.
- (e) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under G.S. 130A-412.6, an anatomical gift of a body part is neither a refusal to give another body part nor a limitation on the making of an anatomical gift of another body part at a later time by the donor or another person.
- (f) In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under G.S. 130A-412.6, an anatomical gift of a body part for one or more of the purposes set forth in G.S. 130A-412.6 is not a limitation on the making of an anatomical gift of the body part for any of the other purposes by the donor or any other person under G.S. 130A-412.7 or G.S. 130A-412.12.
- (g) If a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or body part.
- (h) If an unemancipated minor who signed a refusal dies, a parent of the minor who is reasonably available may revoke the minor's refusal. (2007-538, s. 1.)
